

Detour™ Mobile Desks

statement of line

Detour mobile desks are available in a variety of shapes and sizes. All mobile desks feature height adjustable legs and choice of casters or glides. Flexible modesty screens are available for most desks.

dimensions

Sizes range from 30" x 48" to 42" x 64".

Worksurfaces have a height range of 27" to 32".

surface materials

Top: plastic laminate or wood

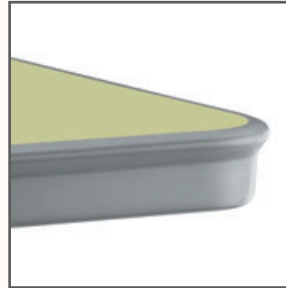

Edge: black or gray plastic

Legs: any Metro MetalColor

Modesty screen: light or dark gray fabric

design

Metro Design Group

Edge Detail

The plastic edge provides resilience for mobile products in active work settings and is available in black or gray.

Flexible Modesty Screen Detail

Modesty screen flexes in two positions providing a non-handed, user-adjusted solution.

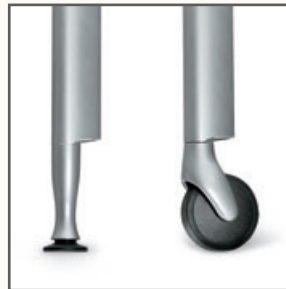

Height Adjustable Leg Detail

Integrated fasteners secure legs in 1" increments for worksurface heights from 27" to 32".

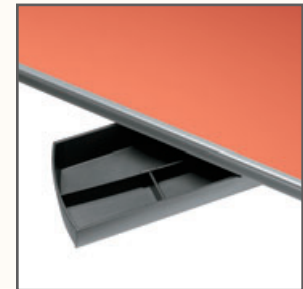

Flexible Wire Manager

The flexible wire manager conceals and organizes data and electrical cables in open worksettings.

Glide & Caster Detail

Glides provide stability for stationary applications; casters provide ease of movement. Locking casters are optional.

Pivoting Pencil Drawer Detail

The drawer stores pens, pencils, paper clips, etc., and pivots out for easy access.
