**3781** Medium Back Tilter

**3786** High Back Tilter with wood capped base and wood trim (ACM) on front arms

Beacon blends contemporary and traditional lines to create exceptional beauty. The back features precise piping details and a rolled-top backrest. The upholstered seat and back offer an elasticized, webbed suspension construction for superior comfort. The tilt action can be adjusted for the user's weight and locked in an infinite position.

Beacon is available with black base or wood accent trim on the arms and bases and offers an optional polished aluminum or wood base. For more traditional environments decorative antique brass nail trim is available. Choose from a wide choice of leathers, fabrics and wood finishes to complement your executive office or boardroom.

Seating shown above in Leather/Mock Leather 450/550.  
Cover: Shown in Spinneybeck Leather Volo VL84 American Gothic.
