

pocket

pocket

LESS HAS NEVER BEEN MORE.

Pocket™ is amazingly quiet, easy to move, beautiful to behold and accommodates the latest technology. It's just the support that every caregiver deserves. With magnetic accessories and configurable storage, everything you need now fits in your Pocket.

.....

LESS IS MORE

Small footprint to fit into the real world of healthcare

Only the most essential features creating low-cost high value

Zero noise (really), less effort to roll, the best wheels

ACCOMMODATE CHANGING TECHNOLOGY

Can accommodate a wide variety of technology: laptops, tablets, monitors, CPUs, all-in-ones, pen and paper

PEOPLE DO THINGS DIFFERENTLY—LET THEM

Moveable magnetic accessories

Flexibility—"non prescribed" surfaces and light storage ready to be transformed to the work process of the user

STATEMENT OF LINE

Fixed height units at 36"H and all units available adjustable.

Finish pallet: Seagull primary finish. Tops and drawers available in coastal (blue) or flat platinum.
