tāva

THE ULTIMATE IN DESIGN AND ACCOMMODATION.

Tāva™ combines form with function, refinement with practicality, to create the ideal personal space for every user. With its high level of fit and finish, Tāva is made to brighten environments while letting patients and partners in care choose how they spend their time.

HOLISTIC VIEW OF WAITING

Complete collection of seating brings the essence of hospitality into healthcare for a variety of waiting spaces, from lobbies to corridors

Seating choices to accommodate any length of stay

REFINED AESTHETIC

Fresh, transitional design—elegant from all sides and angles

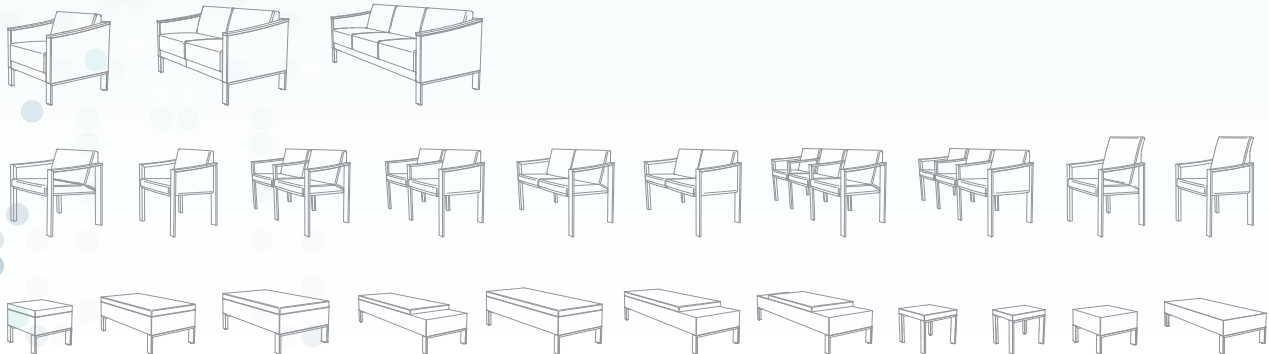

BUILT FOR HEALTHCARE

Constructed with infection control in mind; all seating solutions feature a crumb sweep and easy to clean around bases

Top-stitch care, seam placement and a spring seat construction consider the wear and tear on fabrics in healthcare environments, while also accommodating a greater number of COM fabrics

STATEMENT OF LINE

Single seat guest and lounge seating also available in bariatric versions.
