

Adjusting to a New Normal

Waldner's is here to help...

The world and its workplaces are tasked once again to re-evaluate themselves. Re-evaluate the needs of the physical workspace, re-evaluate the way we communicate, the way we collaborate, and better define expectations of safety and wellbeing within the workplace. As you navigate this new normal and work to figure out your next steps, Waldner's is here to help in offering application research, forward-thinking furniture products, workplace solutions, and technology applications to help guide you through this transition.

SPACE SOLUTIONS, WHEREVER WORK HAPPENS

FACILITISOLUTIONS

We are here to help..

Recent healthcare concerns, along with government directives, have drastically increased the need for employees to adopt a remote work environment. This quick shift in working under the “new norm” has left many offices closed and unattended. As you work to figure out your next steps in these uncertain times, Waldner’s experienced FacilitiSolutions Team is here to help in the process of workplace reassessment, planning, coordination and execution of all furniture related needs for your employees returning to the office.
